McKendree volunteers help the incoming students check in during NSO.

NSO

Last fall, lower campus bustled with the activities of NSO or New Student Orientation. Student Affairs and Admissions combined to provide new students with an opportunity to meet other students and get acquainted with McKendree. A team of McKendree upper-classmen was chosen to plan activities and to help and guide the new students through their first week. This year's motto was "Together As One".

Many games were played to help everyone to get acquainted.

After reaching McKendree at the beginning of the semester, the first priority is to unload the car.

A Security officer, Stacia Swisher, helps direct traffic behind Baker Hall.

Homecoming

Homecoming 1986 festivities were held the week of October 13-18 in beautiful weather. Activities during the week included entertainer Michael John performing in Ames Hall, a caricature artist named Goot, an unusual Brown Bag featuring LaRouche candidates Mark Fairchild and Janice Hart. On Thursday and Friday, the Riverside Theater performed the play "Clarence Darrow" in Eisenmeyer Auditorium. The week concluded with Homecoming Day on Saturday. That morning the parade was held, led by Parade Marshal Phil Rodriguez. That afternoon, the Bearcat soccer team defeated Rockhurst 2-1.

Cheerleaders Sherrie Morgan, Jacki Bugg, and Carol Friedland enjoy their ride along the parade route.

The Homecoming court and their escorts were introduced during halftime of the soccer game.

The Ainad Temple Shriners entertain the crowd as they do every year.

The week of Homecoming ended Saturday evening with they traditional dance. 1985's retiring Queen, Sonnie Botwinski, crowned Jill Kelling as the Queen of 1986. The theme for the dance was "That Was Then . . . This Is Now," and was held at the Collinsville Hilton Hotel.

ORGANIZATIONS

ALPHA OMEGA

Alpha Omega was founded on November 23, 1954, and re-chartered in November of 1970. This year, AO was involved with the "Meals on Wheels" for the city of Lebanon. On campus, they built a homecoming float and were active in the "Muck U Challenge". In the future, AO hopes to continue to promote sisterhood, friendship, and service.

DELTA PHI SIGMA

Δ Φ Σ

Delta Phi Sigma was founded in 1966 to fill what its charter members felt was a social gap on McKendree's campus. Adelphi strives to promote an involvement in social activities and unity throughout the campus and the local community. While the society isn't a service organization, it does assist the college in striving to round out the social life of the students.

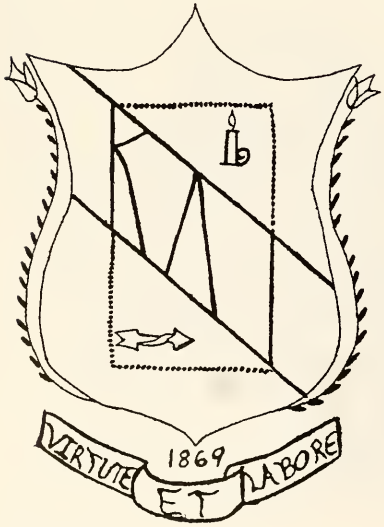
The Clionian Literary Society, or "Clio" as it is known, is a women's society open by invitation to any woman who has a 2.00 or better cumulative G.P.A. Clio was founded in 1869 as the first society for women on McKendree's compus. McKendree has developed and grown through the years, and Clio with it; the Clionians have strived for learning, as well as college and self-betterment through the literary service and social endeavors of its members. The women of Clio believe in friendship, sisterhood, and loyalty.



New members: Judy Johnson and Joy Chuo.

LAMBDA

The Platonian Social Society, founded April 20, 1849, is the oldest social society west of the Alleghenies. Because of its state charter, Plato is a recognized corporation by the State of Illinois. The men of Plato are the traditional sponsors of the Geology Club and its weekly meetings. This year Plato won first place for their Homecoming float, won first and second place in intramural volleyball, decorated the Christmas tree on Upper campus, and helped with the phonathon. Their motto is "Via Sapientiae — The way of wisdom".

SIGMA ZETA

On June 9, 1926, Sigma Zeta created a Beta chapter on the McKendree College campus, making it the second chapter nationally. The chapter had been lax for many years but was reborn in the fall of 1985 with the help of advisor Dr. Richard McGuire.

Sigma Zeta is an organization for science majors with high grade point averages. Besides the traditional biology and chemistry majors, members may also major in computer science or mathematics.

On campus this past year, Sigma Zeta prepared the greenhouse for the plant sale in the spring, hosted speaker Dr. Nevin Aspinwall, composed a formula book to sell to students, converted a science lab into a science study room, and planned a Spring Picnic. For community projects, they set up and judged science fairs at a local grade school, formed a slide presentation of the science and computer departments, and organized a raffle for Alan Droste. Nationally, the Beta chapter wrote a grant proposal for $2500 from the Pittsburgh Conference. In April, they plan on attending the national conference in Eureka, IL. Students' papers will be presented.

The McKendree Review Staff has been responsible for creating "The McKendree Review". This year they have attempted to give the school newspaper a new look. In the future, the newspaper staff hopes to create more in-depth articles and a better structure year after year, and they hope to become more involved in other school activities.

Programming Board was organized four years ago when the Student Government Constitution was ratified. The officers are: Chair — Paul Wesselmann, Vice-Chair — Kelly Koisher, Secretary — Tina Ferrario, Publicity — Bob Luetkenhaus.

Activities that the Programming Board planned were: New Student Orientation (NSO), Homecoming, Christmas dinner, Surfin' Safari, Dancin' in the Sheets, Sweetheart Dance, lectures, Muck U Challenge, School Picnic, and the Sock Hop. They also arranged for comedians, singers, a clown, a Victorian photographer, Rick Kelley, Regency, and Michael Bird to come to McKendree to entertain the students.

Their goal for the future is to have weekly dances and more cultural events.

MODEL UNITED NATIONS

La-Shell Ebersahl's committee takes a break to pose for the camera.

Students from Southern Illinois high schools gathered on the McKendree campus for the 15th McKendree Model United Nations sessions which were held in November and March. The sessions are the only high school Model UN gathering in Southern Illinois, and are one of the largest Model UN conferences in the nation.

The Model United Nations sessions are conducted in the same manner as an official UN session with committees writing and voting on resolutions and forwarding them to the General Assembly for passage. The McKendree MUN program is run by McKendree students under the supervision of Dr. David Ahola, Dr. Pat Folk, and Dr. Bill Haskins. This year Denise Tabor was the Secretary-General and made sure that everything ran smoothly.

Dan Kasten shows a serious side while chairing Economic and Social Council during the fall session of Model UN.

The BS'er pledges got involved in this year's session by stoging a kidnapping of the delegates from Chino.

This year, Eisenmeyer Theatre presented three productions. The first play was the one-man show "Clarence Darrow", brought to McKendree by the Riverside Theatre. This drama was written by David W. Rintels. Ron Clark played Darrow and Jody Hovland directed the show.

McKendree's fall play was "Antigone", the Greek tragedy by Sophocles of one woman's fight to save her dead brother's soul and the effects this battle had on her king. Christine Jones played Antigone and Randy Blakely portrayed Creon. Other members of the cast included: Ellen Connor, Jeff Noblin, Jeff Winget, Betsy Sutton, Jeff Thornton, Renee Korves, Steve Wright, Beth Olmstead, Trevor Guthrie, Dawne Ducree, Dan Kasten, and Jeff Bowen. The stage managers and set constructors were Donna Snyder and Bob Luetkenhaus. The lighting director was Bob Luetkenhaus.

"The Curate Shakespeare As You Like It" was the spring production at McKendree. This Shakespeare-comedy play provided a night of interesting interaction between actors of a traveling theatre troupe. The cast consisted of Suzanne Hacking, Melissa Kaegel, Steve Wright, Jeff Noblin, Dan Kasten, Randy Blakely, and Christine Jones. The set and lights were directed by Bob Luetkenhaus.

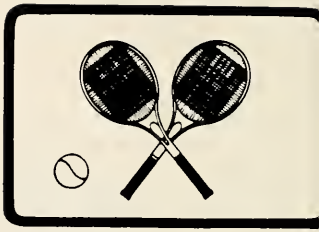
McKendree Continues to Grow



McKendree showed evidence of growth this past year. A new greenhouse extension and tennis courts were opened in the fall, and plans for the Convocation Center got off the ground.

A ribbon cutting ceremony was performed on Friday, October 3, to officially open the new greenhouse. Students and faculty had begun work by raising funds and finalizing plans during the spring of 1986. Students managed to raise most of the money needed for this project. Volunteers dug the foundation and begun building the greenhouse during the summer of '86. Dr. McGuire plans to use the greenhouse for seed banking. Endangered species of plants will be grown in this preserve along with a wide variety of other plants for botany students. The greenhouse is also designed to act as a passive solar heating system for Voigt Science Hall. The new greenhouse is open to everyone in the campus community.

Dr. Richord McGuire watches as Mrs. TenBrink cuts the ribbon morking the official opening of the greenhouse.

Students are now able to play tennis on campus. The long awaited courts were built across from the Suites during the summer of 1986.

Plans for the new Convocation Center began to take shape this year. Fund raisers were held to help pay for this large project. It is estimated that about a third of the $5 million bill has been raised. The Center will include a new gym, complete with swimming pool and weight room. The building will also house an auditorium and a theater. The tennis courts and softball diamond are already in place. Plans also include a soccer field.

Row 1, left to right; Mendy Shoemaker, Elaine Albrecht, Debbie Mantos, Becky Shryock, Cindy Glaze, Kim Miller. Row 2; Sharon Bodi, Jane Renner, Laurie Kolar, Deb Avery, Lori Lehr, Pam Gaestenkors, and Coach Jean Scheller.

A young McKendree College Lady Bearcats volleyball team finished the 1986 season with a 21-13 record after a 3-6 start. The Lady Cats placed third in the district finals, losing to the eventual champion St. Francis 15-7, 15-5.

Coach Jean Scheller attributed youth, a rugged schedule and the previous year's success as the reasons for their slow start. The Lady Cats lost only one regular season game in October, defeating schools such as St. Louis University and Washington University. McKendree won their own tournament to end the season, raising their record to 19-11.

The Lady Bearcats won two matches during pool play at the district playoffs, over National College of Education and St. Xavier.

Senior Lori Lehr and junior Sharon Bodi were selected to the All-District team. Lori Lehr and Pam Goestenkors were the squad's only seniors. Jean Scheller and her Netters look for very successful seasons ahead.

The McKendree College Bearcats soccer team had an extremely sucessful 14-4 season, falling one game shy of winning the playoffs. A 2-1 loss to rival Sangaman State in the district finals ended a superb campaign for the Bearcats. McKendree outscored their opponents 62-24 during the season.

The Bearcats opened the season with an emotional 4-3 victory over Missouri-St. Louis. The McKendree squad could not find the net in the next two games against Park College (0-2) ond Sangaman (0-4). The Bearcats then broke loose and won eleven straight games, including a remarkable eight shutouts. They won memorable overtime victories against St. Francis and Lindenwood, ond also won the exciting Homecoming game against Rockhurst 2-1.

Due to the district point system, the Bearcats were ranked second in the playoffs behind Sangamon even though they had a better winning percentage. After McKendree disposed of National College of Education 3-0 in the first round of the playoffs, they had to travel to Springfield for the district finals.

Four players were named to the All-District first team: senior goalie Rick Branding, junior forward Rich Reineger, junior forward Marc Mahat, and sophomore Chris Bee. Branding was one of the top goalies in the country with 10 shutouts and a 1.3 GA average. Reineger led the Bearcats in goals (22) and total points (52) for the third year in a row. Mahat led McKendree in assists (9) and scored 10 goals. Bee impressed the coaches around the state with his defensive play and ball handling.

The 1986-87 McKendree College Bearcats basketball team finished the season as the most successful basketball team in school history with a 30-5 record.

The club set regular season records in wins (28), fewest losses (4), total points scored (3,357), average points (104.9), and NAIA ranking (8th). The Bearcats led the nation's four-year colleges in offense. The squad was also second in the nation in scoring margin with a 21.0 mark.

The season also saw head coach Harry Statham win his 400th career win against Greenville College 111-69 on November 14. He is the Winningest active coach in Illinois, and second only to legendary coach Ray Meyer of DePaul. His current career record is 427-188.

The Bearcats were ranked number one in the district all year, were in the NAIA's top twenty poll throughout the second half of the season, and had one of the highest Dunkel ratings in the country. Fred Taylor and Walter Rogers were named honorable mention All-America and All-District.

The 1986-87 McKendree College Lady Bearcats basketball team endured a disappointing 6-21 season. That was not enough to get the Lady Cats into the playoffs. District #20 only allowed four teams to enter, and McKendree finished fifth.

Mary Ann Fahey and Karyn Hunsinger were both named All-District. Fahey, Hunsinger, Donette Wheatley, and Sue Gilmer all scored double figures for the season.

After popular coach Nancy Kassebaum resigned on opening day due to personal reasons, the players met Rether Johnson, who took over the coaching duties.

SOFTBALL

Raw 1, left to right; Melissa Wombocher, Sondy Kunz, Brenda Sandheinrich, Cathy Rea, Laurie Kalar. Row 2; Joni Beal, Susan Hausmann, Cindy Porter, Sonja Rhoda, Donette Wheatley, Shari Hasenstab, and Coach Rether Johnson. Not pictured; Tracy Wargo.

After a slow 1-7 start, the Lady Bearcats softball team won sixteen of their last twenty-five games. The trio of Sandy Kunz, Sonja Rhoda and Shari Hasenstab carried the pitching load for the Lady Cats this year. They have combined for seven shutouts. Rhoda and Hasenstab both threw a no-hitters this year.

Tracy Wargo, Sue Hausmann, and Cindy Porter led the offensive threat. Coach Rether Johnson said team play was the big plus for the Lady Bearcats.

EDITOR'S PAGE

The 1986-87 school year began with high hopes and many plans for the yearbook. Despite major setbacks such as lack of student participation and finding the yearbook office twice emptied into the stairwell to Upper Pearson Hall (to make room for an orchestra for banquets), the book was finished by the final deadline. A lot of time and effort were spent on producing the book, often at the expense of homework and sleep.

This is a publication for the students written by students. It would be a shame to lose it. One person cannot put together an entire yearbook. Hopefully, an Editor is found for next year to carry on and continue to improve this publication.

I would like to thank my entire staff — Melissa McPherson. She stuck with the yearbook through to the end of the school year. Special Thanks go to Michelle Stacey-Doyle, Doug Dennison, and Deb Bethard. They kept me going with their support when this task seemed impossible. Last year's Editor, Deb Bethard, traveled back to McKendree to help when deadlines began to get too close for comfort. To Robbie Hale and Bill Krueger: Three Time's the Charm!
